

**Karen J. Burns**  
*Audit Partner*

Karen is an Audit Partner with Sensiba San Filippo LLP, who brings nearly 20 years of experience in providing financial and business accounting and consulting services to privately-held companies in a variety of industries, including construction and real estate, manufacturing and distribution, and professional services.

Karen is a partner in SSF's Manufacturing & Distribution Group, and understands the needs of privately-held businesses and their desire to maximize financial income while minimizing taxes. She knows that privately-held companies and their owners are intricately linked because, in this environment, business is personal. In that regard, Karen has assisted companies not only with financial compliance audits and reviews, but also acquisition due diligence, best practices in internal control considerations, and other operational and financial matters.

Prior to joining Sensiba San Filippo, Karen spent four years in the private company services group of PricewaterhouseCoopers LLP, in San Francisco. Prior to that, she was an Audit Partner with Shilling & Kenyon, a San Jose based accounting and consulting firm. Notable clients served include Colliers Parrish International, Nancy's Specialty Foods, Wilson Sonsini Goodrich & Rosati, Round Table Pizza and NUMMI.

Karen is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants and is a licensed CPA in both California and Nevada. She is also active in many community organizations, including StarStruck Community Theatre in Fremont.
