

**Ernest (Ernie) C. Rossi, III**  
*Audit Partner-in-Charge*

Ernie is Audit Partner-in-Charge with Sensiba San Filippo LLP, bringing more than twenty years of experience in providing financial and compliance audit services to clients in a variety of industries, including technology, professional services, manufacturing and transportation.

As co-leader of our Firm's Corporate Compliance Group, Ernie has specific responsibility for our firm's employee benefit plan audit practice, where he serves as lead client partner on many of our firm's benefit audits, and also provides guidance to other teams to ensure the smooth, efficient, and timely delivery of work product to our clients. Ernie also serves on our Firm's Internal Peer Review Group, and is in charge of the operations side of SSF's audit practice where he is involved in the design and update of SSF's proprietary audit and assurance procedures and software.

Ernie is a member of the American Institute of Certified Public Accountants the AICPA's Employee Benefit Plan Audit Quality Center ("EBPAQC"), the California Society of Public Accountants and served for several years on the Advisory Board for the San Mateo County chapter of the Junior Achievement of the Bay Area.
