

Damon R. Lewis
Audit Partner-in-Charge

Damon is Audit Partner-in-Charge with Sensiba San Filippo LLP. He provides leadership to our Technology Assurance and Advisory Group (TAAG), and brings over ten years of public accounting experience serving both private and public clients in a variety of industries including technology, manufacturing and professional services.

Damon's technical expertise encompasses issues relevant to both emerging and established companies, including industry specific accounting considerations (revenue recognition, accounting for inventory, etc.), acquisition due diligence, purchase transactions, international accounting considerations, financial reporting matters, equity offerings, and financing. He has also assisted clients with stock option administration issues and establishing financial and operating best practices.

As co-lead of our Technology Assurance and Advisory Group, Damon is responsible for the development of quality standards and strategic initiatives that help our firm deliver world-class service to technology companies. Damon also currently assists several SEC clients with the preparation and testing of their SOX compliance work. In this work he regularly works with Big 4 firms to evaluate internal controls against COSO standards and assist with the preparation for the annual audits. Damon also works with pre-public companies to help them develop a structured approach to developing effective controls that can evolve as the business grows.

Prior to joining Sensiba San Filippo, Damon spent over 8 years at Arthur Andersen LLP where he managed the audit engagements for Levi Strauss & Co., Kaiser Aluminum and Chemical Corporation, The Pacific Lumber Company, and Dolby Laboratories, Inc.

Damon is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants.
