& Real Estate

William (Bill) R. Norwalk
Tax Partner

Bill is a Tax Partner with Sensiba San Filippo LLP, who brings nearly thirty years of providing sound management advice and business strategy consulting to his clients. The broad variety of clients he oversees are in the construction, real estate and manufacturing fields. Services Bill coordinates include tax compliance and planning, projections, forecasts, valuations, and budget models. Other areas of expertise include planning for proper entity choices, estate planning, and performance and milestone measurement. Bill has also worked successfully representing clients before various tax authorities.

Bill serves as the lead client service partner in our Construction and Real Estate practice group, and is responsible for the technical direction and training of team members, as well as for developing the strategic initiatives and quality assurance procedures that allow Sensiba San Filippo's Construction and Real Estate team to deliver innovative strategies and best of class services to our clients.

Bill has done post-graduate work in taxation and computer science, and has specialized performance measurement training. He is a member of the American Institute of Certified Public Accountants and the California Society of Certified Public Accountants.

Bill is an active Rotarian, baseball coach, and a past and present board member of various community organizations.
