

Gary R. Price
Tax Partner

Gary is a Tax Partner with Sensiba San Filippo LLP. For over 25 years, Gary has focused on the business, accounting and tax services needs of closely-held companies, with a particular specialization in serving private equity firms and real estate investment/development companies. Gary specializes in mergers and acquisitions, strategic business planning, operational and financial analysis, capital and investment needs, and the analysis of business financing alternatives.

Gary is a client service partner in our Construction and Real Estate practice group. Along with his public accounting experience, Gary has held positions as Managing Partner with Price, McAllister & Company, CPAs; Vice President of Operations and Finance at Compagnie Sucriere St Marc S.A.; Director of MIS for PVO International; Manager of Data Processing and Finance with On-Line Business Systems; and Management Consultant at Arthur Andersen & Company. He has proven entrepreneurial skills as a co-founder of high technology start-up companies, and experience in the venture capital, high technology, biotechnology, medical device, construction, and real estate fields.

Gary has a Masters Degree in Business Administration, with an emphasis in accounting and finance, and a Bachelors Degree in computer science and math. He is a CPA in both California and Florida, and a member of the American Institute of Certified Public Accountants, the Management Services division and Information Technology division of American Institute of Certified Public Accountants, and the California Society of Certified Public Accountants. He has served as a special limited partner reviewing deal flow for venture capital firms, and continues to serve on the board of directors for a number of community organizations.
